How Do My Scores Compare?

A percentile shows how you scored, compared to other students. It's a number between 1 and 99 and represents the percentage of students whose scores are equal to or below yours.
For example, if your Math percentile is 57, that means 57% of test takers have Math scores equal to or below yours.
The Nationally Representative Sample Percentile compares your score to the scores of typical U.S. students.
SAT® User Percentile compares your score to the scores of students who typically take the test.
